

"DOUBLE CIRCLE"
OUTFIT IS SOLDA Kansas City Man Pays
\$350,000 For Cattle at
Safford.

Safford, Ariz., May 18.—One of the biggest cattle deals of late years was concluded here when John Hampson, owner of the "Double Circle" outfit, sold out to Kansas City packing firms, for \$350,000. The ranches and cattle are located north of here and the cattle graze mostly within the present boundaries of Graham county.

The "Double Circle" have just finished shipping 2000 head of steers, loading them near Geronimo, 35 miles down the valley. Ten trainloads with nearly 8000 head have been shipped during the last 10 days from the Graham county ranges, and 1500 more were driven through Safford Monday to Solomonsville where they were loaded and sent to Denver. About 200 were cows and the balance being one, two and three year olds, prices running from \$18 to \$20 for yearlings to \$25 or more for three year olds. Webb and Boyle, Marshall and Foster, McEuen and Hinton were the principal shippers Monday. Probably 4000 more will be shipped later on in May, making over \$300,000 worth shipped out of the country in one month.

Some of the farmers who cut their first crop of alfalfa early, before Easter, will cut the second next week. Three of the Safford teachers have left on their spring vacation. Miss Pickles going to Illinois, Miss Brownlee to Pennsylvania and Miss Purdum to Globe, Ariz., and later to Morenci. Mrs. Kate Jennings has been ill for about a week, and is reported to be seriously so today.

Guy Westerman is still ill with typhoid fever.

STRANGE FATALITY APPEARS TO
PURSUE CONVENTION MEMBERS

Santa Fe, N. M., May 18.—A strange fatality seems to pursue the members of the constitutional convention. Though it is less than six months since it adjourned, three members have already died, the last victim being Atanasio Robal, who died last night at Pecons at the age of 52 years, the oldest preceding him being George Brown of Baton, a young man, and A. H. Harless of Silver City, middle aged. Robal had been chairman of the board of county commissioners of San Miguel county and held other positions in public life. He leaves a large family.

It is proposed to pool all interests in a project to reclaim 100,000 acres of land.

THE DANGEROUS FLY.

How often have you seen the fly standing on a lump of sugar in the sugar bowl, industriously shuffling his front feet? He is wiping off the disease germs, rubbing them on the sugar that you are going to eat.

If you have doors or windows without screens, in the city or in the country, put the fly screens in now, and keep the flies out.

The fly is the great spreader of disease, one of the greatest enemies of humanity, and one of the most dangerous.

Many people put in their fly screens early in the spring, or if they neglect it then, they let the neglect continue, waiting for the next spring.

As a matter of fact, the fly screens that keep out the dangerous insects, and the disease germs that these insects wipe from their feet on your food, are most important now, in the early year.

Fortunately, the disease germs themselves do not fly. They could pass through the screen as easily as through an open doorway. They reach your children only when larger insects bring them and spread them.

Keep out the bigger insects, the flies, the mosquitoes, and you keep out the invisible, deadly enemies.

Alpine, Texas, May 18.—Alpine yesterday agreed to accept the proposition of the Kansas City, Mexico & Orient railroad to begin construction work here within 30 days after the securing of a cash bonus of \$25,000, station and terminal grounds and lands for a city addition.

The contract was made definite and the railroad obligates itself to have trains running into Alpine on regular schedule not later than Christmas, 1912.

The San Angelo-Alpine connection of the Orient is now being rapidly built, nearly five hundred men and teams being engaged in the work.

Brewster county commissioners appointed Dr. R. A. Wilson justice of the peace at Terlingua, vice S. J. Baylor, who resigned and moved to Alpine.

Robert E. Beatty and Joe Irving, of Alpine, are shipping cattle from Kent. Commencement exercises are in progress at both the central and the south-side schools.

Rains continue daily throughout the county.

Mrs. Robert Parsons fell from a wagon on the Gage ranch yesterday evening and was seriously injured. The wagon wheels passed over her.
